indoor vinyl
sports flooring

PRODUCT INTRODUCTION

THE IDEAL CHOICE OF INDOOR VINYL SPORTS FLOORING

One of the keys to taking your pickleball game to the next level is having a convenient place to play.

Whether you're setting up for serious competition or casual games with friends, playing on the professional court can help you get the most enjoyment.

BOKER pickleball court with the unique technology is the perfect choice for indoor pickleball courts.

WHY BOKER PICKLEBALL COURT?

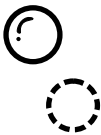

SLIDING FACTOR

- The proper sliding coefficient between BOKER pickleball court and pickleball **prevents** the ball from **flying out easily**.

SLIDE AND GRIP

- The proper sliding coefficient between BOKER pickleball court and sports shoes forms the ideal compromise between **slide** and **grips**.

KEEP DIRECTION

- BOKER professional pickleball court prevents the pickleball from **slipping** and **changing** direction.

PERFECT BALL REBOUND

- The ball can bounce back to at least **76.2** to **86.4** cm when it falls from a height of **198.1** cm to BOKER pickleball court.

IMPACT PROTECTION

- The better impact protection protects users when the falling, driving and sliding happens which will **reduce immediate injury risks**.

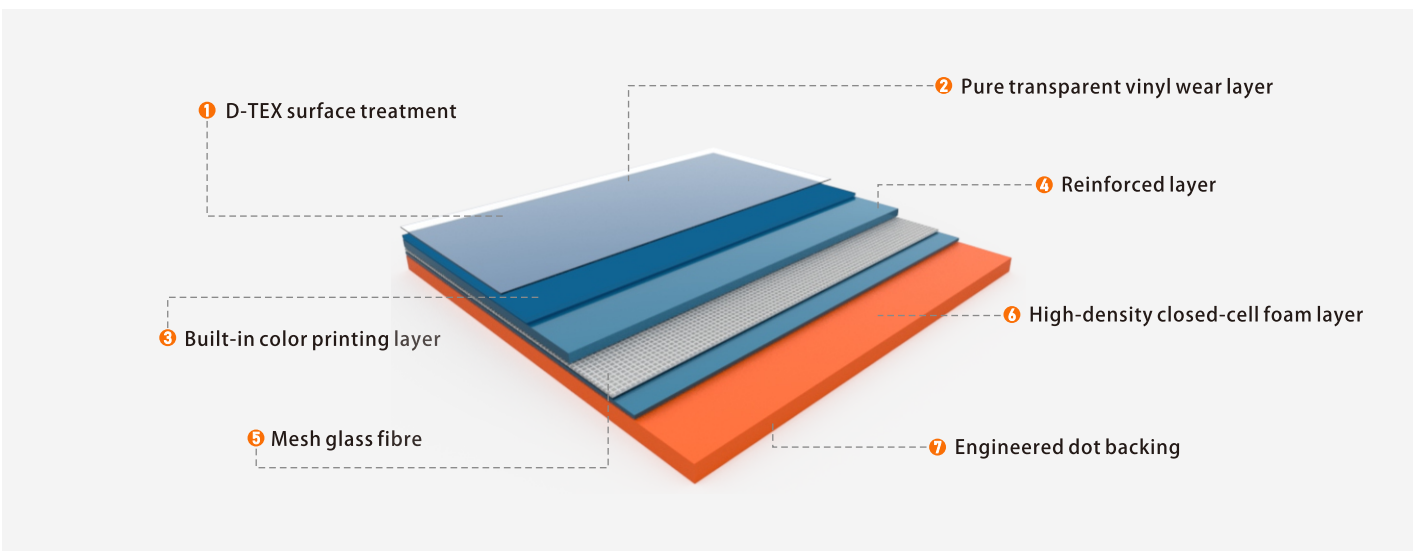

SHOCK ABSORPTION

- The better **shock absorption** minimizes the force of impact on the body and reduces long-term injury risk.
